

Dear Parent/Guardian,

We're really pleased to hear that your child is interested in joining our Code Club.

**What is Code Club?**

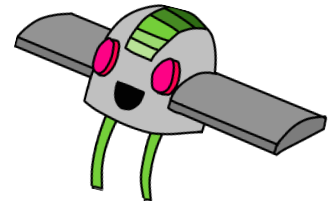

Code Club is nationwide network of after-school coding clubs for children aged 9-11. Find out more at [www.codeclub.org.uk](http://www.codeclub.org.uk).

**How does it work?**

Code Club provide step-by-step activity sheets for children to follow so that they can create games, animations and websites, learning the key concepts of coding at the same time.

**What do the children learn?**

Code Club have resources to teach children Scratch, HTML/CSS and Python. Learning to code is more than a vocational skills - it changes the way children analyse and solve problems, encourages creative thinking and collaboration.
