

## **The 16 to 19 tuition fund 2021 to 2022 academic year**

Open Academy has been allocated £3,176, 16 to 19 tuition funding, for academic year 2021-22 which will be used to support identified students who have fallen behind in any of the subjects they are studying and in particular where learning has been disrupted due to the Covid-19 pandemic.

The students selected will also be those who have not yet achieved grade 4 or above in English or maths.

The support will be delivered in small group after school sessions known as hub (period 6) with targeted support from key staff. Groups will average 5 students.
